Practice Location(s) Information

Address City State Zip

Address City State Zip

- A)** You must provide a copy of a current "Basic Cardiac Life Support for the Health Care Provider" (BCLS) card from the American Heart Association or a current card deemed equivalent by the board from a provider approved by the board.
- B)** Have you had any sedation-related mortality or morbidity to a patient during the preceding 5 years that could have been associated with the administration of a sedative agent?

If you answered "Yes," provide the details including patient names, dates, and explanation on a separate document, including a copy of the treatment records of each patient.

- C)** Provide evidence of one below, either the course, or the experience to "grandfather" in:
 - Evidence of having successfully completed a course or postdoctoral training program in the control of anxiety and pain in dentistry taken within the last 5 years or later that is approved by the board. Evidence must include: a) training in patient evaluation and selection, b) use of equipment, c) personnel requirements, d) monitoring, e) documentation, f) patient medical management, g) emergency management, h) include minimum of 18 hours of education and 20 clinical experiences which may be a simulation or video presentations, or both, but shall include at least one experience in which a patient is deeply sedated and returned to consciousness.
- OR to "Grandfather" in:**
- Evidence of performance of 20 clinical cases of conscious sedation over the preceding 5 years, which shall be evaluated by the board. (A form is provided for your use, or you may recreate this form as long as the information is in the same sequence.)

- Designate here to add PEDIATRIC SEDATION to the permit. (K.A.R. 71-5-9)**

This portion is for conscious sedation for patients 12 years of age or younger. Attach evidence of the completion of one of the 3 educational programs below taken within the last 5 years or later:

 - A residency program approved by the board in dental anesthesia or pediatric dentistry or any other program that the board determines to be equivalent;
 - A residency program approved by the board in general practice, oral and maxillofacial surgery, endodontics, periodontics, or other advanced education in general dentistry, which shall include training in conscious sedation for patients 12 years of age or younger; or
 - A postgraduate course or training program approved by the board that includes training in conscious sedation for patients 12 years of age or younger.

- OR to "Grandfather" in:**
- Providing evidence of 20 sedations of children 12 years or younger on the form provided.

I agree by my signature that I meet all requirements described above for a Level I Permit. I have carefully read the questions in the foregoing application and have answered them truthfully, fully and completely. I declare under penalty of perjury under the laws of the State of Kansas that the foregoing is true and correct.

**Evidence of Performance of 20 Clinical Cases of Conscious Sedation over preceding 5 years for
Level I Sedation Permit.**

Kansas License No. Dentist Name

Under K.A.R. 71-5-10, you may receive a grandfathered permit if you have performed 20 clinical cases of conscious sedation over the preceding 5 years.

To satisfy this regulation, report dates, patients' ID numbers, and the anesthesia administered to the patient on this form or any document with a similar format.
